Message:

My name is Crisayda Belen, a political science major at UMass Lowell.

As a rising senior, I'm beginning to work on my senior thesis which will focus on voter participation and the different methods of voting in an election. One key element of this is thinking about absentee voters, those extremely motivated individuals who make up a significant portion of overall participation. If you could help by sending me the list of the city voters who participated in the 2014 and 2016 democratic primaries using an absentee ballot, it would be super helpful to my research.

Thank you so much for your help!
