TOWN OF TOWNSEND
TOWN CLERK

Sent from my iPhoneDear Townsend Town Clerk, On May 9th 2019 I posted a meme on Facebook. I was told Joe Shank made a complaint when Lt. Giancotti knocked on my door. I was told the meme is considered criminal harassment, and it could be considered as sharing child porn; an arrestable offence. I am requesting any police reports or investigations regarding this call. I am also requesting police station or dispatch logs regarding that call. Thank you for your assistance.
