

MA FREIGHT PLAN 23

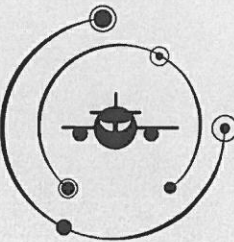

MassDOT wants to hear from you!

- Truck drivers
- Port and warehouse workers
- E-commerce and gig delivery workers
- Small business owners
- People living in communities near truck routes
- Community advocates for walking, bicycling, and traffic safety

The Massachusetts Department of Transportation (MassDOT) is seeking your perspective on how freight moves through the Commonwealth of Massachusetts and how it impacts your community and/or industry.

Your input will shape the 2023 Massachusetts Freight Plan and help our state grow its economy in safe and sustainable ways.

Share your thoughts

Join a Focus Group

MassDOT will host multiple small focus groups between February – March 2023. These focus groups will last for 1 hour and will be hosted virtually.

Discussion topics may include safety, access to employment, small business needs, and general freight industry trends and challenges.
