† Per the Governor's Order, and during the State of Emergency now-in-effect or until sooner rescinded, public bodies are relieved from the requirement that they conduct their meetings in a public place that is open and physically accessible to the public; provided, however, that all public bodies shall ensure public access to deliberations through adequate, alternative means, which include (but are not limited to) telephone, internet or satellite enabled audio or video conferencing or other technology that enables the public to clearly follow the proceedings of the public body while they are occurring. The Order also allows remote participation by all members of a public body; and waives the requirements that a quorum and the chair be physically present at the meeting location.
