TOWN OF TOWNSEND
TOWN CLERK

In accordance with Chapter 66 of the Massachusetts General Laws, I'm requesting to see the policies approved by the Water Commissioners related to the RTCR Assessment Reports for the coliform bacteria hits in our water supply detected November and December of 2018.

I'm also requested to see the corrective actions and all documentation related to the corrective action in relation to the latest Sanitary Survey.

I understand you may charge for these records, please let me know if there's cost as your earliest convenience.

Thank you
