Good Morning Laura:

I should have the property tax information to you this afternoon. Please know that the request was received on 4/14/17, 10 business days is 4/28/17. I am not sure when you requested the other information as the Town Clerk did not forward that one to me. Because of the election today, if Kathy is ok with it, I will forward the property tax public request directly to you instead of through the normal channels.

Thank You for your understanding

Barbara M. Tierney
Town of Townsend
Treasurer/Collector

In Massachusetts, the term "public record" is broadly defined to include all documentary materials or data created or received by any officer or employee of any governmental unit, regardless of physical form or characteristics, unless it falls under one of the statutory exemptions to the Public Records Law. G.L.c. 4, 7(26). Consequently, email is subject to the disclosure, retention, and maintenance provisions as required by law. G.L.c. 66
